This represents the team assigned to Code Red Ltd and we shall arrange accordingly to meet your expectations in the necessary timeframe, depending on the volume of the work and the availability of information. The Engagement Partner and the Manager will plan and direct the conduct of the engagement. These proposed professionals have considerable experience in similar work exposures relevant to this assignment.

Considerations:

Our proposed fee was determined considering our understanding of the scope of work thus far. In addition,

- a) That the assignment is expected to not exceed 4 working weeks subject to the volume of documents that will be assessed;
- b) All relevant information/ documentation would be available as and when required; and
- c) That there are no disputed claims that will prolong the conduct of the accounting preparation, tax filing, and audit.
- d)

The fee as quoted may require revision if one or more of the assumptions outlined above is subsequently impacted.

Other incidental expenses that are refundable will be communicated for your action.

We hope that the above fee quote would be acceptable to you and we look forward to commencing the assignment soon.

Please do not hesitate to contact us should you require further explanation.

Yours faithfully,

Frank Kumi
(Engagement Partner)
